

ABOUT US

OCEAN is a company specialized in the designing, manufacturing and trading of spray painting equipment with "HYVST" own registered trading mark .

OCEAN offers one stop service of painting equipment, and offer full solution of painting project meanwhile as required. Wild range of Airless Sprayer is included in our service line, such as Electric/Pneumatic/Hydraulic/Gasoline powered airless paint sprayers, Line stripping machine, Putty sprayer, Mortar sprayer, Texture Sprayer, and related accessories. Drywall sanders / hand mixers/ painting tanks are also offered. The good performance, reliable quality, easy operation, good after sale service are the strong points that marked with our products.

OCEAN has implemented a strict and complete quality control system, all of our products have been strictly inspected before shipment. Our product are in CE and GS approval .

OCEAN designs, manufactures and quality controls for all products. And also provide most economical means to assure customers to get satisfactory services, such as guaranteed quality, competitive prices, and short-period delivery. Just contact with us now for more details. All your visits and suggestions are sincerely welcomed

OUR CORE VALUES

We endeavor to make the customers satisfied through in sight of a problem by their means; To innovate with the master's spirit and carry out revolution to develop teamwork; To improve continuously; And to do everything honestly, trustfully, transparently, rapidly and easily.
